

Since 1989, *OPEN ROAD DRIVERS PLAN*[®] has helped owner operators and other drivers protect their CDL with legal assistance and bonding services.

When you or your spouse receive a traffic ticket in your truck or personal vehicle, Open Road finds a local attorney to represent you in court. Our coast-to-coast network has attorneys throughout the U.S. and Canada, each with experience in the local courts and communities. The Open Road Drivers Plan[®] pays the attorney directly up to the scheduled amounts. In most cases you never need to go to court, so put Open Road on your side today!

This program is completely voluntary, so if you believe this program will work for you, you can receive a discounted rate on membership through the U-Sav Program of UTSI.

Please fill out and fax this page to Open Road and you will get an Open Road hat for signing up. You will also get your Open Road package and Services Directory book with Guide to Truck Stops.

See the Open Road video at www.ordp.com

We pay attorney fees for our members – unlike some plans that charge monthly and require you to pay again when you need legal help.
